PROFESSIONAL SUMMARY

Regional sales and channel leader with **11+ years** building and scaling B2B distribution networks across the GCC, Levant, and North Africa — including **6+ years in management** roles and **3+ years** at Manager level directing strategic sales for a multinational manufacturer, reporting directly into the company's global Management Board in Germany. Leads a **4-person in-house team** and, through weekly performance reviews, effectively directs a **15-person front-line sales force** spanning in-house and on-ground distributor sales staff. Proven ability to take a product line from zero market presence to an established, growing revenue stream, and to deliver sustained **15–20% year-on-year channel revenue growth** and **20–30% revenue growth** on new product launches through disciplined channel segmentation, partner development, and CRM-governed pipeline management. Engineering-trained (B.Tech, Electrical & Electronics Engineering) with a postgraduate business qualification (PG Diploma, Business Administration – Marketing), bringing equal fluency to technical specification discussions with consultants and EPC contractors, and to commercial negotiation with distributors and senior stakeholders. Own commercial negotiation of a **€5M annual distributor agreement portfolio**, including the largest single order in the portfolio's regional history at **€1.2M**. Built and led a partner network spanning eight countries, and represented the business at flagship international exhibitions including Light + Building (Frankfurt) and The Big 5 (Riyadh). Now seeking a Regional Sales Director, Country Manager, or Head of Business Development mandate with a top-tier UAE-based organization, to own channel strategy and commercial performance at scale.

PROFESSIONAL EXPERIENCE

OBO Bettermann Middle East and North Africa FZCO

Dubai, UAE — Electrical Infrastructure Products

Manager, Technical & Strategic Sales

Apr 2023 – Present

- Own regional sales strategy across **8 MENA markets** (UAE, Kuwait, KSA, Qatar, Bahrain, Oman, Egypt, Lebanon), directing channel segmentation, partner development, and performance-based programs — delivering **15–20% year-on-year channel revenue growth**.
- Lead and develop a **15+ distributor partner network** through structured Quarterly Business Reviews (QBRs), aligning partners to annual sales targets, joint demand-generation programs, and CRM-disciplined (MS Dynamics) forecasting.

- Directed go-to-market execution for **3 major new product launches**, combining competitive analysis and pricing strategy to enter previously untapped segments — **20–30% revenue growth** in each new category within its first year.
- Own commercial negotiation of a distributor agreement portfolio worth **€5M annually** — pricing, margin protection, credit terms, inventory and working-capital policy — sustaining long-term partnerships across highly competitive markets; personally negotiated and closed the largest single order in the portfolio's regional history at **€1.2M**.
- Present regional performance, forecasts, and strategic recommendations directly to senior international leadership, including the company's **Management Board in Germany**, on channel health, investment priorities, and growth strategy.
- Lead a **4-person in-house team** and, through weekly performance reviews, effectively direct a **15-person front-line sales force** (in-house plus on-ground distributor sales staff), coaching capability through structured training programs spanning technical product knowledge, consultative selling, and CRM discipline.

Assistant Manager, Technical & Sales

Jan 2020 – Apr 2023

- Built a new product vertical from **zero market presence** to an established, sustainably growing revenue line within three years — reaching **~70% of annual sales target by Year 3** — appointing and developing **7+ new distribution partners** across the region in the process.
- Established sub-distribution and retail partner channels across the UAE, growing the active partner base by **~20%** and opening market penetration into product categories the network had not previously served.
- Partnered with the Regional Director on market intelligence, competitive analysis, and pricing strategy feeding directly into annual business planning and Management Board presentations in Germany.
- Represented the company at flagship international trade exhibitions — Light + Building (Frankfurt) and The Big 5 (Riyadh) — generating new distributor relationships and reinforcing brand presence regionally.

EARLIER CAREER

Senior Technical Sales Engineer / Technical Sales Engineer, OBO Bettermann MENA FZCO — Jan 2018 – Dec 2019

Senior Sales Engineer / Sales Engineer, Cupra International, Dubai — Nov 2014 – Dec 2017

Built the technical credibility and regional consultant/contractor network — spanning earthing, lightning protection, and surge protection systems — that became the foundation for the distribution and channel leadership scope of subsequent management roles.
