PG Diploma, **Business Administration – Marketing** (Distinction)

Google Digital Marketing & E-commerce Certified

15-person cross-market team coached & developed

Data tools: **Power BI, Tableau, SQL, Python**

PROFESSIONAL SUMMARY

Data-driven commercial leader with **11+ years** building and running B2B channel and go-to-market strategy across GCC, Levant, and North Africa markets, now pivoting that operating discipline into structured marketing strategic planning. Postgraduate qualified in Marketing (PG Diploma, Business Administration – Marketing, Distinction) and **Google Digital Marketing & E-commerce** certified, with hands-on experience turning market intelligence, competitor analysis, and pricing data into go-to-market recommendations and briefs for senior stakeholders. Track record building standardized frameworks and reporting cadences for a **15-person, 8-country team**, ensuring consistent ways of working and output quality across markets and business units — directly relevant to standardizing how a Strategic Planning team engages and delivers recommendations across regions. Skilled in translating data into decisions using **Power BI, Tableau, SQL, and Python**, with direct accountability for budget allocation and ROI on a **€5M annual commercial portfolio**. Experienced coaching and developing teams to a consistent operating model, and building senior cross-functional stakeholder relationships across matrixed, multi-country organizations — including direct reporting exposure to the company's global Management Board. Seeking to bring this data-driven, cross-functional leadership discipline to a Marketing Strategic Planning capacity within a customer-centric, multi-channel marketing organization.

PROFESSIONAL EXPERIENCE

OBO Bettermann Middle East and North Africa FZCO

Dubai, UAE — Electrical Infrastructure Products

Manager, Technical & Strategic Sales

Apr 2023 – Present

- Design and execute go-to-market and launch strategy for new product categories — combining market intelligence, competitor analysis, and pricing strategy into data-driven briefs and recommendations for senior stakeholders across **8 markets**.
- Build standardized frameworks and reporting cadences (CRM-driven forecasting via MS Dynamics, structured Quarterly Business Reviews) ensuring consistent ways of working and consistent quality of output across a **15-person, 8-country team**.
- Coach, mentor, and develop a **15-person front-line team** (4 direct reports plus distributor-based staff, reviewed weekly), building team capability against a consistent operating model.

- Own budget accountability and commercial negotiation for a **€5M annual portfolio** — tracking spend against expected returns and presenting performance, forecasts, and recommendations directly to senior international leadership, including the company's **Management Board in Germany**.
- Executed go-to-market strategy for **3 major product launches**, translating market and competitor data into positioning and pricing recommendations that delivered **20–30% revenue growth** in each new category's first year.
- Maintain policy and process compliance across a distributed, multi-country team, driving adoption of digital tools to improve data visibility and performance reporting.

Assistant Manager, Technical & Sales

Jan 2020 – Apr 2023

- Built a new product category from **zero market presence** to an established, growing line within three years — developing the go-to-market strategy, market positioning, and partner-enablement plan that reached **~70% of target by Year 3**.
- Partnered with the Regional Director on market intelligence, competitive analysis, and pricing strategy feeding directly into annual business planning and executive reporting.
- Represented the brand at international trade exhibitions — Light + Building (Frankfurt) and The Big 5 (Riyadh) — strengthening brand positioning and market presence regionally.

EARLIER CAREER

Senior Technical Sales Engineer / Technical Sales Engineer, OBO Bettermann MENA FZCO — Jan 2018 – Dec 2019
Senior Sales Engineer / Sales Engineer, Cupra International, Dubai — Nov 2014 – Dec 2017

Built the client-facing communication, market analysis, and stakeholder-management foundation that underpins the subsequent commercial strategy and go-to-market planning scope of later roles.
